

WCIRWA NEWS

OCTOBER 2020

Meet the New Manager

We welcome Jason Meredith as Manager of WCIRWA effective October 1, 2020 due to the retirement of Dean Lorenzen. Jason has been with WCIRWA since 2008 as a treatment and distribution operator. Jason and his wife, Jessica and young son reside in Lake View. Jason is looking forward to this new role of leadership.

Congrats on your Retirement !

WCIRWA wishes Dean Lorenzen a happy retirement and to thank him for his leadership these past 37 years. Dean plans on taking this new season of his life to spend time with his family and follow his grandkids events. Also to have more time to pursue his hobbies of hunting, fishing and golf.

WCIRWA NEWS

OCTOBER 2020

Winter weather is just a few months away and now is the time to give some thought to preventing frozen pipes.

Cover the meter pit with some type of covering, from straw bales to bags of mulch.

Pipes most at risk for freezing include: Exposed pipes in unheated areas of the home; pipes located in exterior walls and any plumbing on the exterior of the home.

Installing inexpensive foam pipe insulation is usually enough for moderately cold climates.

WCIRWA is happy to introduce "Pay Star" which is our new outside source for credit and debit cards and for E-checks. We have partnered with "Pay Star" due to easier access, availability to see balances, and lower cost. They also offer phone service to pay your water or sewer bill. You will need to have your account number to access the service.

ACH Payment Option

You can pay your bill automatically by ACH, which is a FREE service. This option deducts your water or sewer bill from your banking institution and relieves you of having to write a check or attach a stamp to your envelope. The form can be requested by calling our office or going to wcirwa.com and select the forms category.

Where is my account number?
