**FULL-TIME WATER OPERATOR NEEDED**

The West Central Iowa Rural Water Assn. is taking applications for a full-time Water Operator for the Manning, Iowa area plant and system.

Duties include, operation and maintenance of water treatment and distribution facilities, well pumps, equipment, mains, and valves. Pre-employment physical, drug screening and background check are required. Applicant must possess a valid driver's license and hold or be able to acquire a Grade 2 Water Treatment and Distribution certification as specified by Iowa DNR. WCIRWA is willing to train. WCIRWA offers an excellent benefits package.

WCIRWA is an equal opportunity employer and provider.

Please send cover letter and resume to [info@wcirwa.com](mailto:info@wcirwa.com) or to the address below:
